

NOTICE OF INDIVIDUAL PERMIT DECISIONS 09/01/07 – 09/15/07

This serves as notice of the divisions' decisions on Aquatic Resource Alteration Permit or §401 Water Quality Certification applications previously posted for public comment. Publication of this notice serves as commencement of the thirty-day period for appeal by third parties pursuant to TCA 69-3-105(i).

- NRS 03.246 Waste Management Inc. of Tennessee** a permit modification to amend the original 1994 Declaration of Restriction and shall, under the Amended Declaration of Restrictions, remove 1.25 acres of the mitigation wetlands, authorized under §401 Water Quality Certification No. 03.246 to be filled, from the original 1994 Declaration of Restrictions and include the 6.25 acres of created wetlands authorized to be created under this certification; Nashville, Davidson County. ISSUED.
- NRS05.457 TDOT** widening a 3.803-mile segment of the existing US 64(SR-15) from West of SR 99 to Old Highway 64. Ten streams and two springs will be impacted by this road project. Barlow Branch, unnamed tributaries to Hurricane Creek, Furnace Branch and unnamed tributaries to Furnace Branch, Wayne County. ISSUED
- NRS06.094 I TDOT** elimination of approximately 285 feet of stream associated with improvements to SR 28 in Fentress County. This is an additional impact for a previously permitted project. Fentress County, ISSUED.
- NRS07.091 TDOT** widening a 2.608 mile segment of I-75 from 1.1 miles north of US11 to 1.2 miles south of US 11. Impacts will occur to 5 streams and one wetland. Included are two stream relocations, encapsulations with paved or riprapped outfalls, and storm water outfalls to Wolftever Creek, Rodgers Branch and tributaries to each, Hamilton County. ISSUED
- NRS07.161 The Dollywood Company** to place 264 linear feet of an unnamed tributary to Middle Creek in a pipe and the relocation a portion of another unnamed tributary; Pigeon Forge, Sevier County. ISSUED.
